Assessment

Assessment details

Description	Marks out of	Wtg(%)	Due date
Assignment 1			
Assignment 2			

Include basic assessment details.

Examination

If required, include relevant examination details.

Assignment extension policy

Include details as required by the faculty. If there is a hyperlink to the information, it is best to include it instead of duplicating details here to ensure the most up-to-date details are accessed.

Generic content

For your information, generic files are available which can be included with the assessment material. Indicate the required information via your Materials Development Officer (MDO). Example files that can be included:

- Submission details
- Grading levels
- Referencing

Assignment 1
